## Denver Station is Relocated

The Denver station has been temporarily relocated from the historic Union station to 1800 21<sup>st</sup> Street at the intersection of Wewatta Street near Coors Field in the Prospect Neighborhood. When completed in the spring of 2014, Union Station's redevelopment will include a new commuter station as part of a multimodal hub.

In the meantime, the temporary station is completely accessible to passengers with disabilities, offering Quik-Trak self-serve kiosks, free WiFi, and vending machines stocked with snacks and beverages.

Passengers are encouraged to plan pick-up and drop-off at the station if possible. The temporary station is also served by an RTD bus stop only steps from its door.
