The Capitol Corridor serves 16 stations along the 170-mile rail corridor connecting the Sacramento area, the San Francisco Bay Area and San Jose. An extensive, dedicated network of bus connections provides transportation to destinations beyond the train stations. Together, this system serves the second-largest urban area in the western United States.

Heading to work or taking a weekend getaway? Either way, you'll arrive refreshed and ready. The Capitol Corridor Joint Powers Authority partners with Amtrak, Union Pacific Railroad, Caltrans and the communities comprising the CBJPA to provide travelers a cost-effective, viable and safe intercity passenger rail service—another “no-hassle” way to see and do more in California!

We look forward to seeing you onboard!

Quiet Car

The **Quiet Car** is available on trains 521, 523, 525, 518, 520, 522. Please, no cell phone use, game devices or loud conversation in the designated car.
