Have Your See and Learn It Too

With **Trails & Rails** It's Fun to Do!

For over 11 years, Amtrak and the National Park Service have placed guides and rangers on Amtrak trains to provide commentary about significant sites, cultural and historic information as well as local features and attractions. This program is known as Trails & Rails.

Amtrak trains pass through some of the most beautiful and interesting places in America. Look for Trails & Rails notices on select trains under "services" in the timetable.

Get a unique lesson with your travel experience! Visit www.nps.gov/trailsandrails for more information and www.Amtrakparks.com to see connections to many of our National Parks.
