Have Your See *and* Learn It Too *with* Trails & Rails. *It's Fun to Do!*

Volunteer Guides from the National Park Service through the Trails & Rails program provide commentary on local features and attractions, cultural, historic and other educational information about significant sites on select Amtrak routes around the country. While many programs are only available during the summer season, some programs are available into the fall and again late winter into spring.

Check the Trails & Rails notices on select trains under “services” on selected routes. Get a unique lesson with your travel experience! Visit www.nps.gov/trailandrails for more information, and www.AmtraktoParks.com to see connections to many of our National Parks.
