# Welcome Aboard!

Welcome to America's railroad!

The pages of this timetable contain the makings of a journey, whether you're looking for a train to take to a business meeting, an enjoyable daytrip, or an across-the-country rail adventure. I hope you'll find the timetable a useful travel-planning tool.

You may be accustomed to Amtrak' services in your region, but maybe you're not familiar with our services in more than 500 destinations in 46 states and Canada. I invite you to peruse these pages and find out more about where Amtrak can take you and your family. Our destinations offer something for everyone, and our services offer a variety of amenities and accommodations, including Dining cars, Lounge cars and Sleeping cars on our long-distance trains.

Or, if you're thinking about combining your trip with hotel accommodations and attractions, you may be interested in browsing through our Amtrak Vacations® packages by visiting www.amtrakvacations.com.

Amtrak not only connects communities, we also link transportation modes. Our network of Thruway Motorcoach service connects you to cities not currently served by rail. And we also connect you to airports, ferries, and buses, light rail and other transit systems across the country.

Speaking of being connected, we now offer free Wi-Fi on our high-speed Acela Express® service and in some of our Northeast Corridor stations. Wi-Fi is also available aboard Business class on Pacific Surfliner® trains and some Amtrak California Thruway Motorcoaches. We hope to make Wi-Fi available on other routes as well.

If you have any questions or need help booking your trip, give us a call at 1-800-USA-RAIL or visit Amtrak.com. Any one of our station agents or on board crew members will also be happy to help.

Thanks for choosing Amtrak. We are proud to be America's railroad. Enjoy the journey! Sincerely,

Joe Boardman

President and Chief Executive Officer

Cover: Amtrak Train 302 begins its daily trip from St. Louis to Chicago on a crisp fall day. In the background is the Gateway Arch, the iconic image of St. Louis, which opened in 1967. At 630 ft., it is the tallest monument in the U.S. This *Lincoln Service* train just traveled 108 feet above the Mississippi River on the MacArthur Bridge, which opened to trains in 1928 and spans 677 feet between Missouri and Illinois. This train is also representative of Amtrak "Chicago Hub" services in the Midwest, including the Missouri River Runner, Hiawatha, Wolverine, Blue Water, Pere Marquette, Saluki, Illini, Carl Sandburg and Illinois Zephyr.

# **HOW TO BOOK YOUR TRIP WITH AMTRAK**

# PLACING YOUR RESERVATION

To take advantage of the best fares, and to reserve the accommodations you prefer, it is best to book early. See pages 128-129 for passenger discounts. Amtrak will quote and price your travel at the lowest fare available at the time your reservation is made. Provide your Amtrak Guest Rewards® number at the time you make your reservation to earn points for future travel. If you change your reservation, it will be repriced at the best fare available at the time you make the change.

Get additional information and make reservations at Amtrak.com (credit card payment required), stop by any Amtrak ticket office or contact your Travel Agent. You can also make reservations 24 hours a day at 1-800-USA-RAIL; TDD/TTY service is available at 1-800-523-6590.

Reservations are subject to cancellation if not paid by the date assigned when reservations are made. A reservation may also be cancelled if you have not yet picked up your tickets or if you board at a station other than the one from which you booked your departure.

# GET OFF THE PHONE FASTER! CALL AMTRAK AT 1-800-USA-RAIL AND SPEAK WITH "JULIE®"

No need to press buttons or wait for an agent. Just speak to Julie, the Amtrak automated agent. Using state-of-the-art voice recognition technology, the system hears what you say. Julie is standing by to take your call 24 hours a day, 7 days a week.

# Use Julie to:

- · Check train status
- · Check schedules and fare information
- Make a simple reservation
- Give credit card information for payment of reservation

Julie can be interrupted if you already know the answer to a question she is asking before she completes the question.

You can be transferred to an agent if you want to bypass the automated system by saying "agent" or pressing zero. If you are transferred to an agent, the information Julie has collected to that point is sent along with the call so that there is no need to repeat. If you are modifying existing reservations, booking travel to Canada or on the Auto Train,® making Sleeping car reservations or trips that require more than one connection in a direction of travel, you will need to talk with a live agent.

For all your other travel needs, Julie will assist you.

#### **PURCHASING YOUR TICKET**

You may purchase your Amtrak ticket with a credit card [MasterCard, Universal Air Travel Plan card (UATP), American Express, Discover and VISA] on Amtrak.com, over the phone at 800-USA-RAIL, at Quik-Trak kiosks and at ticket offices. Debit cards (with credit card logos) are accepted at Quik-Trak kiosks and ticket offices, and cash is accepted at ticket offices. You will be required to show acceptable identification when purchasing your tickets. Personal checks are not accepted. If no other ticketing option is available, you may pay your fare to the conductor on the train. Credit cards (but not gift cards) and cash are accepted. Please see page 138 for further information.

# **PASSENGER ID POLICY**

Amtrak passengers are required to provide acceptable identification when purchasing tickets, whether at the station or on board the train, and while checking baggage. Valid acceptable identification includes: valid state-issued photo driver's license; state-issued photo ID for non-drivers; passport; government agency ID and other specific forms of identification. Ask agent for details.

Amtrak, in compliance with the Federal Transportation Security Administration (TSA), has a random passenger identification verification policy on board trains. Adult passengers (18 years and older) are randomly asked to produce acceptable identification by conductors on board. The random identification checks are based on a passenger's ticket number.

# CANCELLATIONS

Many tickets are refundable before travel begins; a refund service charge normally applies, or you may in most cases apply the value toward future travel without a service charge. Some discounted tickets are non-refundable once purchased. Sleeping accommodations cancelled fewer than seven days prior to departure (but before actual departure) are non-refundable but the value may be applied toward future travel within one year. If Sleeping car reservations are not cancelled prior to travel, customer will forfeit accommodation charges. Exceptions exist for late trains. Please see page 139 for further information.

# **BEFORE YOU GO**

# **Connecting To and From Amtrak Trains**

It's easy to connect the Downeaster to and from other Amtrak trains! Downeaster trains arrive at Boston's North Station. All other Amtrak services in Boston depart/arrive at South Station and Back Bay Station.

To connect to Amtrak at Back Bay, take the MBTA ORANGE subway line between North Station and Back Bay Station. It takes approximately 15 minutes to make the connection. If you have a lot of luggage, you may wish to take a taxi between North Station and South Station. Taxis are usually located outside North Station. The one mile transfer will cost approximately \$10-\$15.

# Train Host Program

In cooperation with Train Riders/Northeast, volunteer train hosts assist passengers with travel information and transportation connections for stations along the route.

# routes in the midwest

mtrak in the Midwest means not only making connections between Eastern and Western long-distance trains in Chicago at the center of our national system — it also means frequent daily departures between Chicago and key cities in the five-state area including Illinois, Indiana, Michigan, Missouri and Wisconsin.

Travel for business... travel for pleasure... travel to visit relatives and friends... or travel between home and school – with the choice between Business and Coach class and snacks, sandwiches and beverages in the Café car, Amtrak is the sensible and comfortable alternative to driving between key cities in the Midwest.

With so many colleges and universities in the region, students can pick from among a large number of frequent departures. And when they show their Student Advantage or International Student Identity Card, they can save 15% on their fares. (See page 128-129 for more information.)

Chicago is the rail transportation center for Westbound and Eastbound trains.

**Westbound** – trains operating from Boston, New York, Washington, DC, and intermediate cities arrive in Chicago between 8:45 a.m. and 10:05 a.m. Westbound connecting trains depart Chicago between 1:45 p.m. and 2:45 p.m.

Eastbound – trains operating from Seattle/ Portland, San Francisco (Emeryville), Los Angeles and intermediate cities now arrive in Chicago between 1:52 p.m. and 3:55 p.m. Eastbound connecting trains depart Chicago between 5:45 p.m. and 9:30 p.m.

Chicago Service at a Glance is a quick reference guide to train arrival and departure times in Chicago. The orange color on the left side of the chart indicates the arrival times from various cities to Chicago, and the light blue color on the chart's right indicates the departure time from Chicago to various cities. Make sure to look at the individual train schedules in this timetable for complete route schedules. For details on Amtrak's connection policy, see page 137.

#### **Thruway Service**

Amtrak offers convenient Thruway connecting motorcoach service to many cities in the Midwest where Amtrak trains do not go. Thruway Service has frequent daily departure times from Chicago to key cities in the five-state region of Illinois, Indiana, Michigan, Missouri and Wisconsin. And if you're headed north from Chicago, there's Thruway bus service from Milwaukee to Wausau on one route, Kalamazoo to Sault Ste. Marie, and Upper Michigan Peninsula destinations on the

other route. Or you can go as far south as Louisville from Chicago. With hundreds of destinations from which to choose, getting there on Amtrak and Thruway connecting services makes your travel experience easier. Selected Midwest Corridor trains are financed and operated in partnership with the States of Illinois, Michigan, Missouri and Wisconsin.

The days are getting shorter.

The nights are getting cooler.

The warm memories of summer are beginning to fade.

But we still have time for one more outdoor party.

It's time to celebrate Michigan's Autumn

with 19 million acres of fireworks.

Majestic Oaks and mighty Maples wrap

the entire state with color, leaving us speechless,

not counting our 'oohs' and 'ahhs.'

Look up. The party is still on in Pure Michigan.

Your trip begins at michigan.org

# **Thruway Bus Connections**

Amtrak offers an extensive system of Thruway bus connections throughout California with direct train/bus transfers at train stations serving the Pacific Surfliner, Capitol Corridor and San Joaquin routes. This includes direct connections for many off-line cities in Southern California, the Sacramento Valley, the Bay Area, Northern California and Nevada.

Amtrak Thruway Service provides coordinated train/motorcoach connections, as well as through fares and ticketing. Amtrak Thruway Service connections in California are funded by Caltrans — the California Department of Transportation.

The map below displays the Amtrak California train and connecting Thruway Service.

# **GLOSSARY OF AMTRAK SERVICES AND AMENITIES**

Amtrak trains and Thruway Service routes connect more than 500 destinations, offering a variety of services and amenities tailored to each route. Following is a summary of services available on our trains and at our stations, as well as explanations of service symbols that appear throughout this timetable.

# **AMTRAK TRAIN SERVICES**

# Acela Express®

Amtrak *Acela Express* trains offer premium, limited-stop service between Boston, New York and Washington, featuring higherspeed trains with comfortable seating, large windows, and the ability to tilt around curves for a smooth ride. *Acela Express* offers First class service with complimentary meals and beverages served at your seat, and Business class service with a Café car nearby offering a variety of food and beverages for sale, and, on some trains, a cart service. Both classes of service feature comfortable seating, plenty of legroom, large windows, sizable overhead storage, adjustable reading lights, electrical outlets under the window by your seat, and either large fold-down tray tables that will fit your laptop computer, or conference tables between facing seats.

# Other corridor/daytime trains

These include Northeast Regional<sup>™</sup>, Keystone Service<sup>®</sup>, Empire Service<sup>®</sup>, Downeaster<sup>™</sup>; Midwest Corridor: Wolverine<sup>®</sup>, Blue Water<sup>™</sup>, Pere Marquette<sup>®</sup>, Lincoln Service<sup>®</sup> and other Illinois routes, Missouri River Runner<sup>™</sup>; Hiawatha<sup>®</sup> Service, Heartland Flyer<sup>®</sup>; California Corridor: Pacific Surfliner<sup>®</sup>, Capitol Corridor<sup>®</sup>, San Joaquin<sup>®</sup> and Amtrak Cascades<sup>®</sup> Corridor trains, as well as longer-distance day trains such as the Carolinian<sup>™</sup>, the Palmetto<sup>™</sup>, the Vermonter<sup>™</sup>, the Adirondack<sup>®</sup> and the Maple Leaf<sup>™</sup>.

These services offer comfortable coach seating, plenty of legroom, overhead storage, reading lights, electrical outlets under the window by your seat (in most cars), and fold-down tray tables. A Café car is provided on most trains offering a variety of food and beverages for sale. (On most Corridor routes, except *Northeast Regional*, the Café car is the first or last car on the train.) Many of these services offer, in addition, a reserved Business class car, which features additional legroom, a complimentary beverage, and a newspaper (amenities may vary by service). See the timetable section for trains that offer Business class and Café service.

# **Long distance trains**

Amtrak long-distance trains are designed to give passengers a comfortable and pleasant travel experience both by day and overnight. Sleeping cars offer a variety of room sizes including rooms accessible to passengers with mobility impairments, and coach cars offer reclining seats, fold-down tray tables, reading lights, and, on many cars, electric outlets under the window. Food service is offered in Lounge cars and Dining cars (on some trains these services may be offered from the same car). There are two types of long distance trains.

Superliner®: These bi-level cars operate on long-distance trains west of Chicago and New Orleans, as well as on the Washington-Chicago *Capitol Limited™* and the Lorton, Virginia-Sanford, Florida *Auto Train®*. Sleeping cars, Coach cars, Lounge cars, and Dining cars are featured. Most passengers ride in the upper level, affording a panoramic view of the scenery; lower level accommodations, as well as space accessible to passengers with mobility impairments, are also offered by request. See page 88 for room sizes.

**Single level:** These cars operate on long distance trains east of Chicago. Viewliner® Sleeping cars that include a window for the upper berth passenger, coach cars, Lounge cars, and Dining cars are featured. See page 60 for room sizes.

# Thruway Service 🐺

Thruway Service extends the reach of Amtrak services to many more cities than those that can be served only by train. These services, mostly by bus but occasionally by van, taxi, commuter train or ferry, make coordinated connections with Amtrak trains. In most cases the connection is at the Amtrak station, and through fares are often available (prior ticketing required to obtain through fares). Accessible accommodation on Thruway services can vary and must normally be reserved in advance so the proper vehicle can be provided; contact Amtrak for details.

# **Non-Thruway services**

This timetable contains, as information, selected connecting services that are not part of the Amtrak or Amtrak Thruway system. These may operate from a different terminal, and the individual carrier's fares and policies apply. If Amtrak sells tickets for such services, Amtrak acts only as the selling agent for these carriers and disclaims liability in connection with services performed by these carriers. Contact Amtrak or the carrier for more information.

# Flag Stop \*\*

Train stops only when passengers are present, either on the train or station platform, and ticketed to and/or from this station. Reservations are required. Boarding passengers must reserve as far in advance as possible.

# **Airport Connections 4**

Several Amtrak stations (BWI Airport, Newark Airport, Milwaukee Airport, Burbank Airport) are near or adjacent to their respective airports, with connecting service provided by the other airport. In most other cities with airports that have scheduled air carrier service, a variety of transfer options between the Amtrak station and the airport are available; contact Amtrak or the airport carrier for more information.

# **GLOSSARY OF AMTRAK SERVICES AND AMENITIES**

# **Charter/Group Services**

Amtrak Charter Services can accommodate your group with a private chartered train to a variety of destinations, tailoring the equipment and on board service to meet your needs. For more information call Amtrak at 800-USA-1GRP.

#### **Host Railroads**

On most of the Amtrak route system outside of the Northeast Corridor, Amtrak trains operate over track owned by freight and commuter railroads. Amtrak personnel operate the trains, and the host railroads provide and maintain the track over which they operate. The first page of each section in this timetable indicates the various host railroads for trains within that section.

# **ACCOMMODATION TYPES**

# Coach class **B**

Coach class is available on all trains except Acela Express. Amtrak coaches feature wide, comfortable seats with fold-down trays and, on most trains, overhead storage and individual reading lights. At-seat electric outlets are available on some trains. Most coach seating is reserved (by train, not by individual seat). On Superliners, a few seats are on the lower level, near the entrance and the restrooms. These are not considered accessible seats and may be reserved by anyone on a first-come, first-served basis. A few short-distance corridor services (Capitol Corridor, Pacific Surfliner, Hiawatha®Service, and Keystone Service between Harrisburg and Philadelphia) have unreserved seating, where tickets are valid on any train unless restricted by the fare paid. Every effort is made to provide sufficient seats, but seating is not guaranteed. The Keystone Service and Pacific Surfliner corridors operate on a reserved basis during the Thanksgiving holiday period.

# **Business class B**

Business class on *Acela Express* trains offers reserved seating (by train, not individual seat), with extra legroom, individual reading lights, fold-down seat trays, at-seat electric outlets, and ample overhead storage. On many other corridor trains and some medium-distance day trains, reserved Business class operates in addition to Coach class and offers the same amenities as *Acela Express* Business class; in addition, a complimentary newspaper and beverage (may vary by train) are included, except on *Empire Service* trains that operate only between New York and Albany, and on the *Maple Leaf* between Niagara Falls and Toronto.

# Acela Express® First class 🗘

Acela Express First class offers spacious seating with at-seat service in a quiet, elegant atmosphere. A complimentary meal appropriate to the time of day, and beverages including beer, wine by the glass and premium spirits, are included in your fare. Hot towels and a complimentary newspaper are also included. Acela Express First class passengers have same-day access to ClubAcela® lounges in Washington, Philadelphia, New York and Boston.

# **Accessible seating**

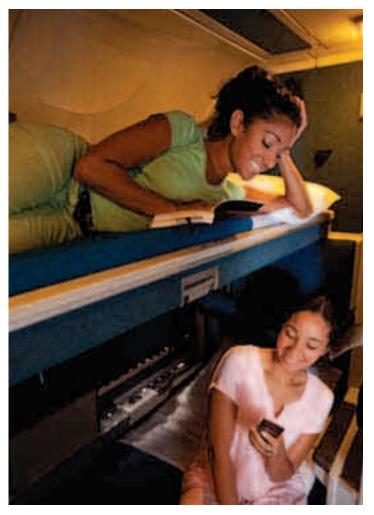

Accessible seating is provided in Coach class, Business class and *Acela Express* First class for passengers who use wheelchairs or have mobility impairments that require these seats. You may reserve a seat that allows you to transfer to a seat from your wheelchair, or reserve a space for your occupied wheelchair. On Superliner trains, accessible seating is in the same area as the non-accessible lower level seats, near the restrooms; meals will be brought to you if you are unable to use the stairs to the upper level. If you have a companion that will assist you enroute, this person may also occupy a seat in this area so that you may travel together. Contact Amtrak for details about accessible seating.

Meals in the Dining car are included, as well as bottled water, morning wake-up service including coffee, tea, juice and a newspaper, and all necessary bedding. Superliner Sleeping cars: Superliner bi-level Sleeping cars operate on long distance trains west of Chicago and New Orleans, on the *Capitol Limited*, and on *Auto Train*. The upper level features five large Bedrooms with an upper bed, a wider lower bed, which becomes a sofa during the day, a washbasin, and an enclosed toilet and shower; and ten Roomettes with upper and lower beds that become two facing seats during the day (public washrooms and shower are elsewhere in the car). The lower level features four more Roomettes, a Family Bedroom with beds for both adults and children (public washrooms and shower for both are down the hall), and an Accessible Bedroom with two Roomette-type beds, a toilet, and a washbasin, and ample space for a wheelchair. The Roomettes have limited room for storing baggage but there is storage on the lower level of the car.

Viewliner Sleeping cars: Viewliner Sleeping cars operate on most eastern long-distance trains. These cars feature two large Bedrooms with an upper bed, a wider lower bed, which becomes a sofa during the day, a washbasin, and an enclosed toilet and shower. A third Bedroom is accessible to passengers who use wheelchairs. The car also includes twelve Roomettes with upper and lower beds, each with its own window, that become two facing seats during the day, and a non-enclosed toilet and washbasin. A public shower is at the end of the car. Viewliner Roomettes have limited room for storing baggage.

The hours of operation vary depending on the train's schedule; some Dining cars offer an all-day casual menu.

# **Lounge cars**

Lounge cars operate on long distance trains, with table and casual seating, and a variety of carry-out food and beverage items, including liquor, wine and beer. Food service is normally available from early morning until late evening, except during a few short periods as announced by the attendant.

# Dining car

# **Café cars □**

Café cars operate on most corridor trains, with table seating, and a variety of carry-out food and beverage items, including liquor, wine and beer. Enhanced menu items are offered on *Acela Express* Café cars. Food service is normally available throughout the journey until nearing the final destination of the train.

# Quiet cars Q

Most Northeast Corridor and *Hiawatha* Service trains have a Quiet car, where the use of cellular phones is not allowed, nor the use of devices that emit sound audible to others, and where passengers are asked to speak only in subdued tones. This car provides a quiet atmosphere for those who want to work, read or rest without distractions. Seating is first-come, first-served and cannot be reserved specifically. The train crew can direct you to the Quiet car as you board.

### On board entertainment \*

Recently-released movies are offered on the Amtrak *Cascades*,® *Auto Train* and on the Pacific Parlour Car for *Coast Starlight*Sleeping car passengers. On the *Cascades*, you may use your own headphones (3.5 mm plug) or purchase an inexpensive set in the Café car. Seasonal presentations and on board commentary are offered on a number of trains by volunteer Rangers of the National Park Service through the Amtrak Trails and Rails program. The California State Railroad Museum gives seasonal presentations on the *California Zephyr* between Sacramento and Reno, and volunteers provide information about North Carolina points of interest on the *Carolinian* and *Piedmont*.

# **SERVICES AT STATIONS**

Amtrak has more than 550 train stations and several hundred more Thruway bus stops. More than 200 stations are staffed; some unstaffed stations offer a waiting room and restrooms, but some offer a platform only. Most Thruway locations not at stations are curbside stops. Contact Amtrak or visit Amtrak.com for details about facilities at any given station.

# **Ticket offices ●**○

Staffed Amtrak stations ( ) have ticket offices where you may obtain and exchange your tickets. Some stations ( ) do not have an agent on duty for every train; ask when you make your reservation, or consult Amtrak.com. Please arrive at least an hour before departure if you need ticketing services from an agent. Identification must be presented when obtaining tickets.

# Quik-Trak<sup>™</sup> self-serve ticketing kiosks *QT*

Quik-Trak self-serve ticketing kiosks are available at many stations, including some unstaffed stations, to help you avoid long ticket lines and obtain your tickets quickly. At the kiosk, you may make a new reservation (except Sleeping car) and obtain tickets, or you may obtain tickets for a reservation you have already made. A credit card (MasterCard, Visa, American Express, Discover or Universal Air Travel Plan) is required to purchase tickets. If you have already made a reservation, you may obtain the tickets using a credit card (which will not be charged again if the reservation is already paid), your Amtrak Guest Rewards® card if the Guest Rewards number is included in your paid reservation, or by using your confirmation page from your Amtrak.com or call center booking. This confirmation page contains a bar code; bring it to the kiosk and wave it in front of the reader, which is just below the keypad. Your reservation will immediately display and you may obtain your tickets within a few seconds. We recommend that you arrive at the station at least 30 minutes before departure.

When you make your reservation on Amtrak.com or through a call center agent, you will be told if a Quik-Trak kiosk is available at your boarding station.

# Metrolink ticket vending machines

Metrolink ticket vending machines are available at Metrolink and many Amtrak stations in southern California. You may obtain tickets for prepaid reservations to any station. You may also pay for and obtain tickets for reservations not already paid, or make and pay for a new Coach reservation, to any Amtrak station within the state of California. Discount and promotional fares require advance reservations. You may also obtain Metrolink commuter train tickets. Metrolink ticket vending machines accept cash and credit cards. You will be notified at Amtrak.com or by a call center agent if a Metrolink ticket vending machine is available at your boarding station.

# Passenger assistance

If you need assistance with baggage, with moving through the station using a station-provided wheelchair or people mover, etc., please let us know as far in advance as possible. This service is available at most staffed stations. At major stations, uniformed Red Caps are available to help you. All baggage handled by Red Caps is protected by a claim check. Please do not accept assistance from anyone other than a uniformed Amtrak or VIA Rail Canada employee. A number of other stations have self-service baggage carts available for a nominal charge.

# **Babies and toddlers**

Long-distance trains operated with Superliner equipment have changing tables in the restrooms for your convenience. We are unable to store baby formula in our refrigerators or warm a baby bottle using our equipment, but bring your container and upon request we can supply you with ice or hot water. Mothers who breast feed their infants are always welcome.

# **Station accessibility**

Station accessibility is shown by the following symbols in the individual schedules within this timetable.

- & All available station facilities are accessible to passengers using wheelchairs, and there are no barriers to access between the station, the train platform, and any of the trains in that particular schedule.
- Let There are no barriers to access between the station, the train platform, and any of the trains in that particular schedule, but some of the facilities within the station are not accessible.

If neither of these symbols appears in a given schedule, there may be barriers to access between the station, the train platform, and the trains in that schedule. Contact Amtrak at 800-USA-RAIL for more information.

# **Station lounges**

Amtrak offers several types of private lounges for *Acela Express* First class passengers, Sleeping car passengers, and current Amtrak Guest Rewards Select Plus members. For access, present your same-day ticket (departing), ticket receipt (arriving) or your Amtrak Guest Rewards Select Plus membership card. Continental Airlines President's Club members with a valid membership card or a Continental Business First ticket for same-day travel are welcome at the New York ClubAcela.

Club Acela is offered at Washington Union Station, Philadelphia 30th St. Station, New York Pennsylvania Station and Boston South Station. Amtrak Metropolitan Lounges are available at Portland (Oregon) Union Station and Chicago Union Station. Similar to Club Acela, these lounges are available to Sleeping car passengers and Amtrak Guest Rewards Select Plus members. A similar service using the TRAXX restaurant is offered to Sleeping car passengers boarding

Train 14, the *Coast Starlight*, at Los Angeles Union Station. Unattended, separate Sleeping car passenger and Amtrak Guest Rewards Select Plus waiting rooms are available at St. Paul/Minneapolis, St. Louis, New Orleans, Raleigh, and Miami. Features and amenities vary.

# **PLANNING YOUR JOURNEY**

# Amtrak.com

Amtrak.com is your complete full service rail travel site on the Internet, providing you with everything you need to explore your travel options, plan your trip, pay for your tickets, and arrange for hotel rooms, rental cars and more. You can reserve coach travel, upgrade to *Acela Express*, business class or sleeper, and take a three-dimensional virtual tour of our Sleeping car accommodations. Amtrak.com also features a complete Spanish-language version at espanol.amtrak.com, a complete German-language version at deutch.amtrak.com, a french-language version at francais.amtrak.com, and you can connect to Amtrak Mobile on your BlackBerry®, Palm®, iPhone® or other web-enabled mobile device.

# **Fares**

Amtrak offers a variety of fares. On reserved trains, a range of fares may apply based on passenger demand for a particular train. On unreserved trains, fares may be higher during peak travel periods. Amtrak will quote and price your travel at the lowest fare available at the time you make your reservation. Changes to your itinerary will cause your reservation to reprice at the lowest fare available at the time you make the change, which may be higher than the fare initially obtained. Some fares may require advance reservation and/or purchase, and be non-refundable. Amtrak offers discounts to members of certain associations; advance reservation is required. Please see pages 128-129 for details.

# Reservations

Reservations are required for all *Acela Express*, Sleeping car, accessible accommodation, business class, and most coach travel. Reservations are also required for all passengers requiring assistance, including unaccompanied minors, even if the train is otherwise unreserved. *Acela Express*, business class and coach bookings reserve space on the train but not any particular seat. If not paid immediately, a date will be given, no more than seven days after booking, for paying your reservation; if it is not paid by that date, it will automatically cancel early the next morning. If you do not pick up your tickets before the train leaves the station from which you booked your first departure, the entire reservation will cancel, even if the reservation has been paid.

You may obtain fare and schedule information, and make your reservation, in a number of ways.

- Amtrak.com: Make your reservation on the Amtrak full service rail travel site, using your personal computer or your webenabled PDA or cell phone. Payment by credit card is required at the time of booking. Print the confirmation page that will be displayed to you when your booking is completed, and you can take that page to any Quik-Trak kiosk, scan it, and immediately obtain your tickets. Other ticketing options, as available, will also be presented to you. You can also have your itinerary sent to one or more e-mail addresses, and cancel and refund your online reservation provided it has not yet been ticketed.
  Note: This confirmation page is not a "boarding pass" and will not be honored on trains. You must obtain actual tickets before boarding the train. If this is not done the conductor will collect a fare for your journey, even if you have already paid online, and your reservation will cancel.
- Julie (((a)), the Amtrak interactive automated customer agent, available by calling 800-USA-RAIL, can give you 24-hour fare and schedule information, provide the operating status of a train, and make simple reservations. She can also accept payment by credit card. If you know the answer to a question she is asking before she finishes it, you can interrupt her with the answer, and if you need assistance from a live agent such as modifying a reservation, reserving Sleeping car space, traveling on *Auto Train* or requesting special assistance on the train or at the station, you can bypass Julie by saying "agent" or pressing zero.
- Call center agents, available by calling 800-USA-RAIL, are also available 24 hours a day. They can make any kind of reservation, accept payment by credit card, give you complete information about services, amenities and features, assist you with any special needs, and refer you to our partners for hotel and rental car reservations.
- Quik-Trak self-serve ticketing kiosks can make Acela Express or Coach reservations to any destination shown on the kiosk.
- Ticket agents at stations can make reservations; if your itinerary is lengthy or in the future, you should contact us at 800-USA-RAIL or use Amtrak.com to make your booking. This will greatly shorten your time at the ticket window.
- You may also make and pay for a reservation for another person. Contact Amtrak for details.
- When making your reservation, please include a telephone number where you can be reached both before and during your journey, in the event we need to notify you of any service changes.

# **Connections**

Amtrak offers connections between many trains, and between trains and Thruway services. These connections are valid if they are shown in the Amtrak reservation system. Some are also displayed in this timetable. Connections not shown in the reservation system or in this timetable are normally not valid. including connections between Amtrak and any other carrier; if you intend to attempt such a connection, you are responsible for all expenses if the connection is missed. If a valid connection is missed due to a late arriving train or other reason beyond your control, Amtrak will protect you by providing alternate transportation on another Amtrak train or on the services of another carrier, or by providing lodging or other services until you can resume travel. In some cases this may be done by transferring you at a station other than the normal connection point. Contact Amtrak for more information about connections.

# **OBTAINING YOUR TICKETS**

**Stations:** Many stations have ticket agents on duty, and there are more than 300 Quik-Trak self-serve ticketing kiosks available as well. In Southern California, Metrolink ticket vending machines are available at many Amtrak and Metrolink stations. Please see "Services at stations", on page 136.

Mail: If your boarding station does not have ticketing services available at the time of your departure, Amtrak will be happy to mail your tickets to you, provided you are departing at least nine days from the day you make your reservation, and pay for your tickets by credit card at the time you make your reservation. We can mail your tickets to any address in the United States or Canada, except to APO and FPO addresses because those are actually overseas. Remote addresses may require more time.

Express delivery: If you are departing within nine days of the day you make your reservation, but at least three days before, or if your boarding station has ticketing services available at the time of your departure but you want them sent anyway, we can send your tickets by FedEx®. There is a \$15.00 charge. The tickets and this charge must be paid by credit card at the time you make your reservation. An adult must normally be available at the delivery address to sign for the tickets.

**Travel agents:** Many travel agents make Amtrak reservations and issue tickets. Some may charge a fee for this service.

On the train: If there is not enough time to send your tickets, and your boarding station does not have ticketing services available, you may pay the conductor for the first segment of your journey, and pick up the rest of your tickets at a connecting staffed station. Cash and credit cards are accepted, and a receipt is issued for all fares paid on trains. If your boarding station has a ticket office that is open at the time of your departure, but you board the train without a ticket, the fare charged by the conductor will be higher; this additional amount is not refundable. (Please note that your Amtrak.com confirmation page is not a ticket and will not be

honored on the train. Some trains and stations do not allow you to board without a ticket or pay on the train.) At some unstaffed stations on a few routes advance paid tickets are printed at a preceding staffed station and given to the conductor for delivery to you. If this service is available you will be notified at the time you make your reservation. This service may not be available if you make your reservation close to departure time. In all cases identification must be presented to the conductor when paying fares or obtaining tickets on the train. If your boarding station is a flagstop, as indicated by this symbol \*\*, see page 132.

Upgrades to business class, *Acela Express* First class, or Sleeping car service may be purchased on the train if unsold space is still available. Contact the conductor.

# FORMS OF PAYMENT ACCEPTED BY AMTRAK

**Cash:** Amtrak accepts US paper money and coin at all stations and on trains for payment of fares and food and beverage services. Canadian paper money (only) is accepted on trains that serve Canada directly, and at stations served by those trains. Canadian coins are only accepted on the *Maple Leaf* between Toronto and Niagara Falls, Ontario, as this is actually a VIA Rail Canada train between those points.

Credit cards: Amtrak accepts MasterCard, Visa, American Express and Discover at all Amtrak ticket offices in the United States and Canada, at Quik-Trak kiosks, at Amtrak.com, by telephone at 800-USA-RAIL, and on trains for payment of fares and food and beverage services. The UATP (Universal Air Travel Plan) is accepted at all ticket offices in the United States only, at Quik-Trak kiosks, at Amtrak.com, and by telephone at 800-USA-RAIL, but not on trains. Amtrak requires that credit cards be signed and that the signature on the ticket matches the signature on the card.

**Debit cards with a credit card logo ("check cards"):** These are accepted in the same manner as credit cards. Debit cards requiring a PIN are not accepted.

Gift cards and other prepaid cards with a credit card logo: These are accepted only when the transaction can be electronically validated: at station ticket offices, at Quik-Trak kiosks, at Amtrak.com, by phone at 800-USA-RAIL, and on trains for food purchases only. They are not accepted on trains for payment of fares or anywhere else where the transaction cannot be electronically validated. Refunds are made back to the gift card, so be sure not to dispose of it once you have used up its value until you are certain that you will not return anything that you have paid with it.

Travelers checques, money orders, and cashier's checks: Amtrak no longer accepts travelers checques or money orders. Amtrak accepts cashier's checks issued by local banks. The cashier's check must be payable to Amtrak, and the maximum amount of change given is \$20.00. Refunds are not given at stations but will be mailed by the Philadelphia refunds office.

**Personal checks:** Amtrak does not accept personal checks, except by prior arrangement for group travel. Contact the Amtrak Group Department for details.

Company and government checks: Amtrak accepts U.S. dollar checks from known companies and from government agencies. You must show both personal identification and identification proving that you are an employee of the company or government agency.

# **REFUNDS**

Rail fare (coach tickets, *Acela Express* Business class tickets, and the rail fare component of other tickets), and vehicle charges (automobile, van, motorcycle, bicycle): Most tickets are refundable if not used. Some discounted tickets are not refundable.

Acela Express first class and non-Acela Express business class seat charges: Refundable if the reservation is cancelled at least one hour before departure. If not, the seat charge amount will be applied to future Amtrak travel only, unless you have cancelled travel because the train is late by one hour or more at the boarding station.

Sleeping car accommodation charges: Refundable if the reservation is cancelled at least seven days before departure. If cancelled within seven days of departure but before actual train departure, the accommodation charge amount will be applied to future Amtrak travel only, unless you have cancelled travel because the train is late by two hours or more at the boarding station. If you do not cancel before train departure ("no show"), the accommodation charge amount is forfeited entirely, whether or not the train was late.

**Multiride tickets:** Refunds of multiride tickets (monthly, 10-trip, 6-trip, etc.) are limited or not allowed once the validity period has begun or after the first trip has been taken. Contact Amtrak for details.

Tickets issued by Amtrak for other carriers such as commuter agencies: The refund policy is determined by the carrier for which Amtrak has issued the ticket.

**USA Rail Pass and California Rail Pass:** Refundable only before the first validity date and only if all tickets against the pass are returned at the same time as the pass. Once travel has begun these passes are not refundable. See page 129 for details.

**Refund fees:** Any refund (in the form of cash, check, or credit card credit) is subject to a fee equal to 10% of the amount being refunded, with a maximum fee per reservation of \$100.00. If you choose to accept a non-refundable travel credit valid for future Amtrak travel within one year instead of a refund, however, no fee will be imposed.

On board downgrades: If your accommodations are involuntarily downgraded or if you reduce the number in your party, you must obtain a refund authorization form (NRPT 27) from the conductor and present this with the ticket or ticket receipt; actual refundability, if any, will be determined by the rules applying to the ticket.

**Time limits:** An Amtrak ticket becomes non-refundable, has no exchange value, and is not valid for carriage, one year after the date of issue (or other period if so endorsed on the ticket) or after the "Not Valid After" date on the ticket, whichever is later. An exchange voucher (travel credit) is valid for one year after the date of issue, and may be renewed provided this is done before it expires.

**Unticketed advance paid reservations:** These are not automatically refunded if the reservation is cancelled; a refund must be specifically requested.

**Must return original tickets:** Cancellation or change of reservations does not generate a refund; the actual original tickets, and other documents as required, must be presented.

**Method of refund:** A refund will be based on the form of payment. Credit card transactions are refunded back to the card that was used for payment. Cash, check, money order, cashier's check, and travelers cheque transactions are made by refund check from the Philadelphia refund office; small cash refunds may be possible at the station.

# **BAGGAGE**

# Carry-on baggage

Carry-on baggage is limited to two pieces\* per passenger. The maximum weight per piece is 50 lb (23 kg) and the maximum size is 28" x 22" x 14" (700 x 550 x 350 mm), except on the *Capitol Corridor, San Joaquin* and *Pacific Surfliner* trains where due to the size of the overhead bins the maximum size is 28" x 22" x 11" (700 x 550 x 280 mm). Each item must be identified with a name tag containing your name and address; free name tags are available at staffed stations. Certain items are prohibited on trains; see the "prohibited items" section. Assistance at transfer points with carry-on baggage is normally not available.

\*The following do not count toward the two allowable pieces of carry-on baggage: purses, small daytime backpacks (bookbags), briefcases, laptop computers, cosmetic cases, baby items such as car seats, diaper bags and folding strollers, and equipment required for your medical condition such as breathing assistance devices and oxygen tanks (consult Amtrak for weight and size limits on oxygen tanks).

# Checked baggage 🛍

Amtrak offers checked baggage service at a number of stations and on many trains and Thruway buses, as shown in the schedules in this timetable. The free checked baggage allowance is three pieces per passenger. The maximum weight per piece is 50 lb (23 kg) and the maximum size is 36" x 36" x 36" (900 x 900 x 900 mm); a maximum of three additional pieces will be handled upon payment of a charge. Each item must be identified with your name, address and phone number, and acceptable identification must be shown when checking baggage. Certain special items such as bicycles (see the "Special Items" section) may exceed the size limits, however, such oversized items checked to or from locations served by Thruway buses may be delayed. Other oversized or overweight items will not be handled. Amtrak sells small shipping boxes if you need to redistribute baggage contents to reduce weight.

# **Baggage on Thruway services**

The carryon and checked baggage policies on Amtrak Thruway services in the 7000 and 8000 numbered series are determined by the operating carrier and may vary from those of Amtrak. For example, Greyhound allows one piece of checked baggage free but charges a fee for the second, and allows only one small item to be carried on the bus. Please ask Amtrak or the carrier for details.

# page Visit 140 Amtrak.com

# Packing your baggage

Pack your baggage using sturdy luggage or containers able to withstand normal handling. Amtrak will not accept baggage packed in thin suit covers without handles, in plastic storage containers not designed for shipping, or in any other container that in the opinion of Amtrak can be damaged, can expose the contents to damage, or can cause damage to other baggage. Your name, address and phone number must be fastened to each piece of checked baggage (this may be hidden from view but must be available to Amtrak employees). Free name tags are available at staffed stations.

# **Checking Baggage**

Check your baggage at least 30 minutes prior to departure, and at least an hour in advance at larger stations, if you also need ticketing or passenger assistance services, during busy times, or if you have to box a bicycle. Baggage checked later than those times may travel on a later train or on a later day and Amtrak is not liable for costs incurred due to this delay. Bicycle boxes and shipping boxes are available for purchase at stations that handle checked baggage.

# **Claiming Baggage**

Checked baggage will normally be available for claiming within 30 minutes of train arrival. Items that require additional handing may take as long as an hour. Always identify your checked baggage by matching your claim check numbers to the tag on the item; Amtrak will collect your claim check when you pick up your baggage. Storage charges apply to baggage not claimed within two days of arrival.

# **Special items including bicycles**

Amtrak accepts a number of special items in checked baggage service, including baby strollers, bicycles, golf bags, musical instruments, skis, etc. In most cases there is a handling charge. Bicycles must normally be in containers provided by the passenger, or in a bicycle box purchased from Amtrak. Bicycles to or from locations served by Thruway buses may be delayed, and tandem bicycles cannot be handled on buses due to their size. Certain trains, identified in this timetable, can handle bicycles not in containers; a reservation for this space is normally required for which a nominal charge is made. Unboxed bicycles are accepted as carry-on items at no charge on a no-reservation, first-come first-served basis on the *Capitol Corridor*, *San Joaquin*, and *Pacific Surfliner* trains. Space is limited and may not always be available.

# **Musical instruments**

Large, delicate musical instruments in cases such as bass violins and harps cannot be sent as checked baggage, but may be brought on trains provided a second seat is purchased for the instrument, at whatever fare is available at the time of booking. The instrument may not extend into the aisle or present a safety hazard. If the instrument will safely fit in your Sleeping car room you may bring it into that room at no charge.

# **Baggage to and from Canada**

Baggage to and from Canada, checked or carry-on, must travel on the same train as you. All baggage must be unlocked for Customs inspection and carry a special numbered name tag, provided at stations serving these trains, that associates your items with you.

# **Firearms in Checked Baggage**

Amtrak current policy prohibits all firearms, ammunition and other weapons on board its trains. This includes any being carried on the person, in carry-on baggage or in checked baggage. Please be advised that this policy remains in effect until December 15, 2010. At press time, details on the checked fiream and ammunition policy were not finalized. Please visit Amtrak.com or contact 800-USA-RAIL for up-to-date information on this policy.

#### **Prohibited items**

The lists below are not exclusive. Any item similar to those listed, even if not specifically mentioned here, is prohibited.

The following are items that are prohibited in both carry-on and checked baggage.

- Prior to December 15, 2010, any firearm, ammunition, sharp object or weapon.
- Effective December 15, 2010, any firearm and/or ammunition that does not comply with Amtrak policies on firearms in checked baggage.

- · Club-like items such as billy clubs and nightsticks
- Animals (except service animals)
- · Oversized and/or overweight items

The following are prohibited in checked baggage, but may be carried onto trains subject to all carry-on baggage policies.

- Fragile and/or valuable items, such as jewelry, negotiable instruments, etc.
- Personal electronic equipment (laptop computers, MP3 players, DVD players, cell phones, etc.)
- Medication including prescription drugs do not put this in your checked baggage or leave it in your car on Auto Train as you do not have access to it while enroute

# **Limitation of Liability**

Amtrak disclaims liability for checked baggage above a maximum of \$500.00 per ticketed passenger. You may declare additional valuation, up to \$2,500.00, upon payment of the applicable charge. Amtrak disclaims all liability under certain circumstances and for certain items. Amtrak disclaims all liability for carry-on baggage and for any other items brought on trains or Thruway services by passengers.

# Claims for checked baggage

Claims for lost checked baggage must be submitted within 30 days of travel. Submit the claim at your arrival station; if not possible, call Amtrak at 800-USA-RAIL and ask for Customer Relations. Claims for damaged checked baggage or for a concealed loss (pilferage) within checked baggage must be submitted at the location where the baggage is claimed, before leaving that location.

# Lost articles ?

Please report lost or misplaced items left on trains or in stations to a station employee as soon as possible. Every effort will be made to recover the lost item promptly. Amtrak disclaims liability for lost or misplaced items.

# Amtrak Express iii

Amtrak offers small package shipping services to more than 100 cities.

**Small package shipments:** The maximum weight per piece is 50 lb (23 kg), and the maximum size is 36" x 36" x 36" (900 x 900 x 900 mm), with a limit of 500 lb (227 kg) per shipment. Bicycles in Amtrak bicycle boxes or other approved containers, and surfboards properly wrapped or boxed, are exempt from the size limit (but not the weight limit).

Heavy and commercial shipments: This service is available at a number of larger stations. The maximum weight per piece is 100 lb (45 kg), and the maximum size is 48" x 48" x 48" (1.2 x 1.2 x 1.2 m), with a limit of 500 lb (227 kg) per shipment. Items greater than 50 lb (23 kg) must be on a pallet; the pallet can weigh as much as 500 lb (227 kg).

**Mortuary services (human remains):** Amtrak Express offers station-to-station shipment of human remains to many express cities. At most stations, funeral directors must load and unload the shipment onto and off the train. Certain trains, even though they handle checked baggage, cannot handle human remains due to the type of equipment operated.

New York (Pennsylvania Station) does not originate express shipments (please use the Amtrak station at Newark, New Jersey), but will accept shipments from other stations.

For more information about rates, transit times and acceptable items, call the Amtrak Express desk at 800-377-6914, Mondays through Fridays, 8:30 a.m. - 8:00 p.m. Eastern time.

# **SECURITY**

# **Security measures**

Amtrak uses a range of behind-the-scenes and front-line security measures to improve passenger rail security, some of which are conducted on an unpredictable or random basis. These include uniformed police officers and K-9 units in stations and on trains, Mobile Security Teams, checked baggage screening, on board screening, security cameras and deployment of state-of-the-art security technology.

Randomly selected passenger baggage, handbags, backpacks and other personal items may be screened or inspected. The inspection will be completed as quickly as possible – usually in less than a minute – in a manner designed to respect passengers' privacy as much as possible. Passengers who decline to consent to security procedures will be denied access to trains and refused carriage, and a refund will be offered.

In compliance with Transportation Security Administration directives, passengers 18 and over are randomly asked by conductors to produce acceptable identification, even if they have previously done so when purchasing tickets. The random identification checks are based on a passenger's ticket number.

For your safety and security, be aware of your surroundings. Keep your personal items secure and in close proximity, and do not approach police dogs. Report any suspicious activity or unattended items to a train or station employee, to an Amtrak Police officer, or by calling the Amtrak Police at 800-331-0008.

# Identification

Passengers 15 years of age or older must present acceptable identification when purchasing tickets, checking baggage, sending Amtrak Express shipments, and on board trains when paying fares or if otherwise requested.

Acceptable identification includes a driver's license, passport, government agency ID card, and other specific forms of identification. All identification must be current and valid. Contact Amtrak for specific details, including requirements for passengers 15-17 years old who do not have their own identification.

# Photography and video recording

Photography and video recording by the general public from publicly accessible property and public areas of stations is allowed. Commercial and special photography requires explicit authorization from Amtrak. Ticketed passengers may photograph on station platforms while boarding or alighting from trains. Other photography from Amtrak-owned station platforms requires permission from a station manager or designee. Generally, on board photography is permitted by ticketed passengers but is subject to directions from the train crew. Suspicious activity can result in inquiries by Amtrak Police or other security personnel. Photography is prohibited in areas restricted to the public by signage, physical barrier, etc. The above language is excerpted from the Amtrak Guidelines on Photography and Video Recording. Complete guidelines can be found on Amtrak.com or by calling 800-USA-RAIL.

# **Animals and other pets**

Trained service animals that assist passengers with disabilities are the only animals permitted on Amtrak trains, and must be kept under your control at all times. You are responsible for the care and feeding of your animal during the journey. Amtrak does not accept so-called "comfort animals" and if there is doubt, you may be asked to identify what service the animal is trained to provide for you.

# **Boarding times**

Be at your boarding station at least 30 minutes before departure. Arrive at least an hour before departure if you need ticketing, baggage or passenger assistance services from a station employee. You should confirm boarding times the day before travel in case there has been a schedule or service change for which we were unable to notify you. At some stations, it may be necessary to discontinue ticketing and/or close boarding gates a few minutes prior to train departure to make sure you can board your train safely. If a train is running late, we will attempt to make up some of the delay by shortening the time the train is in the station to less than that which is shown in the timetable.

# **Auto Train boarding**

Arrive at the *Auto Train* terminal by 2:00 p.m. on the day of departure; earlier arrival (but not before 11:30 a.m.) is recommended. Allow time for traffic enroute. Motorcycles that arrive after 2:00 p.m., and any other vehicle that arrives after 3:00 p.m., cannot be loaded as the train is then in the final stages of being assembled; you will have to rebook for another day. Please see page 64-65 for complete information about *Auto Train*.

# Canadian cross-border travel

# **Documentation required:**

If you are crossing the border by land or sea, including on Amtrak trains and Thruway services, you must have one secure Western Hemisphere Travel Initiative-compliant document that proves both citizenship and identity.

- For United States citizens 16 or over, this document must be one of the following: passport, passport card, trusted traveler card (NEXUS, SENTRI or FAST), enhanced driver's license, merchant mariner document, US military ID with military orders, or form I-872 (American Indian card).
- For Canadian citizens, this document must be one of the following: passport, trusted traveler card, or enhanced driver's licence.
- For citizens of other countries, a passport, and in many cases a visa, are required.
- A passenger 15 and younger who does not have one of the above may present a copy of his or her birth certificate only.

For further information and to determine what is required for your particular situation (including permanent residents and others not mentioned above), contact the appropriate US or Canadian government agencies prior to travel.

An Amtrak brochure with additional details, "Important Information on Crossing the Border between the United States and Canada", is available. Ask for it from an Amtrak agent.

#### Other details:

- Passengers under 18 not traveling with both parents require a
  letter from any parent not present giving permission to cross the
  border. If one parent is deceased, bringing a copy of the death
  certificate will minimize questioning and delay at the border.
  Children under 15 may not cross the US-Canadian border
  unaccompanied.
- Amtrak and VIA Rail Canada will require your date of birth, your country of citizenship, and your identification information. This will be entered into your reservation record and provided to border authorities. If you do not provide this information we are unable to accept payment or issue your ticket.
- Admission into either country is solely at the discretion of border authorities, and possession of required documentation and the provision of required information in no way guarantees entry. Neither Amtrak nor VIA Rail Canada nor any other carrier is in any way liable if you are denied entry or removed from the train or bus.

### **Canadian train travel**

Amtrak operates service to Vancouver, BC, Toronto, ON and Montreal, QC, from which VIA Rail Canada operates trains throughout Canada. See page 130-131 for more information, call VIA Rail Canada at 888-VIA-RAIL, or go to viarail.ca.

# Fall and spring time changes

Amtrak operates according to prevailing local time, either standard time or daylight saving time. At the spring time change, Amtrak trains traveling overnight will become one hour late and will attempt to make up the time. At the fall time change, Amtrak trains traveling overnight will normally hold at the next station after the time change then depart on time. Arizona does not observe daylight saving time. Please observe footnotes in schedules for trains serving Arizona to determine your departure or arrival time.

# **Gift certificates**

Gift certificates valid for Amtrak travel are available in amounts of \$50.00, \$100.00, \$250.00, \$500.00 or \$1,000.00 from Amtrak ticket offices, by phoning 800-USA-RAIL, or through Amtrak.com. You may purchase gift certificates in other amounts, up to \$5,000.00, by going to an Amtrak ticket office or phoning 800-USA-RAIL.

# Lost, stolen or destroyed tickets

Your tickets have value. Please safeguard them as you would cash. Amtrak disclaims liability for lost, stolen, destroyed tickets. In order to travel, you will have to repurchase the tickets. In some cases a lost ticket refund application can be filed; the waiting period is five to six months, and a \$75.00 service charge will be deducted from any amount refunded. No refund will be made if the ticket has been used or honored in any way. Contact Amtrak for details.

# **Overnight travel**

All necessary bedding is provided to Sleeping car passengers. Coach passengers may want to bring a blanket and pillow for added comfort. Blankets are provided on *Auto Train* only.

# Personal electronic devices

To maintain a pleasant environment for all passengers, Amtrak requires that any personal electronic device (laptop computer, MP3 player, DVD player, video game, etc.) not make any sound through speakers or earphones that are audible to others. Please also adjust your cellular phone, personal digital assistant, pager, watch, etc. to silent settings. In the evening and at night, please make your cellular phone calls from the Lounge car, not the coaches. Most *Acela Express, Northeast Regional* and *Hiawatha* trains have an Amtrak Quiet Car, in which loud conversations, the use of cellular phones, and the use of other sound-emitting devices are prohibited.

#### Personal food and alcohol

You may only consume personal alcohol within your Sleeping car room for which you hold a valid ticket. In all other areas of the train you may only consume alcohol that has been purchased from Amtrak. Amtrak reserves the right to limit or discontinue sales of alcohol to any passenger and will not sell alcohol to anyone under 21 (proof of age may be required).

You may consume personal food and beverages at your seat or within your Sleeping car room. Personal food and beverages may not be consumed in food service cars, except on the upper level of Superliner Sightseer Lounge cars, or in *Acela Express* or *Northeast Regional* Café cars. In all other food service cars only food purchased from Amtrak may be consumed.

Amtrak is unable to heat, refrigerate or store any personal food item or medicine due to FDA regulations. We can supply ice for your small personal container if you need to keep medicine cool. Do not put your medicine in checked baggage or leave it in your vehicle on *Auto Train* as you do not have access to it while enroute.

# **Rail Passes**

Amtrak offers the USA Rail Pass and the California Rail Pass, allowing flexible travel within a certain time period. These passes may be purchased by US and Canadian residents as well as overseas visitors. Please see page 129 for details.

# Smokina 🛞

Smoking is prohibited in all areas on all Amtrak trains (except *Auto Train*), on all Thruway services, and in all stations. At longer stops on long distance trains, smoking is allowed on station platforms; remain near the train to hear the boarding calls so you are not left behind. These stops may be shortened or eliminated entirely if the train is running late. State or local laws may prohibit platform smoking or require you to remain a certain distance away from train entrances. *Auto Train* has enclosed smoking rooms on the lower level of the Lounge cars, because this train does not make intermediate stops. All smoking is confined to those rooms (no smoking anywhere else, including sleepers) and if the cars with those smoking rooms are not on *Auto Train* for any reason, *Auto Train* is also entirely non-smoking.

# **Unaccompanied minors**

A child under eight years old may only travel with another passenger 15 years old or more, who has responsibility for him or her.

A child eight through 14 years old, not accompanied by another passenger 15 years old or more, may travel unaccompanied under the following conditions:

- Amtrak trains only (no Thruway buses or other services).
- No transfers or connections are permitted, and no travel to or from Canada.

- Travel is allowed between 6:00 a.m. 9:00 p.m. only.
- Both stations must be staffed at the time of departure or arrival.
- The child must be brought to the departure station, and picked up at the arrival station, by a responsible adult (at least 18 years old), at least one hour before departure.
- The child (not the adult) must be interviewed by the station agent or manager to determine ability to travel alone, a notification and release form completed and approved, and an unaccompanied minor wristband fitted to the child's arm (which may not be removed until after the child is picked up). If the child is traveling round trip, this interview must take place in each direction, even if the child already has a ticket for the return trip.
- Contact Amtrak for additional policies and conditions.

Amtrak reserves the right to change its policies without notice. Amtrak disclaims liability for inconvenience, expense or damage resulting from errors in this timetable, shortage of equipment or delayed trains, except that when such a delay causes a passenger to miss a guaranteed connection, Amtrak will provide alternate transportation on Amtrak, another carrier or overnight hotel accommodations at the discretion of Amtrak. # TIPS FOR TRAVELING ON AMTRAK

- 1. Arrive at least 30 minutes before departure time to avoid delays. If you are purchasing your ticket or checking baggage, make sure you come even earlier, have your luggage properly labeled with your name and address, and have proper identification.
- **2.** Pack wisely. Carry-on luggage is limited to two bags per person. You may check additional baggage through to your destination on many trains.
- 3. Keep track of your belongings. Store carry-on items in overhead luggage compartments, and be sure to collect all of your belongings before you leave the train. Report any suspicious people, packages, or activity to a train conductor, station personnel, or the Amtrak Police Department at 800-331-0008.
- **4.** For planning your trip or to request train-specific timetables or an extra timetable for a friend, call 800-USA-RAIL, download what you need online at Amtrak.com or order online.
- **5.** If you are planning to spend more than an hour on board, bring your favorite bestseller and sit back, relax and enjoy every word in comfort. Bring your laptop and create the short story you've always wanted to write.
- **6.** Traveling with children can be fun for everyone. To keep them busy, we suggest bringing books, toys, games, crayons or markers and paper and perhaps a CD or DVD player with headphones and their favorite music or videos. To maintain a pleasant atmosphere for all our passengers, headphones must be used when listening to radios, CDs, tapes, etc.
- 7. The main focus of Amtrak is to ensure our passengers have a safe travel experience. Please watch your step boarding and leaving the train. Use the handrails when moving about on board and wear shoes at all times when walking about the train. Take a few minutes to read the Amtrak Safety Instruction card for important information. Never try to board or exit the train while it is moving.
- **8.** Amtrak service attendants are there to assist you throughout your trip to make your trip more enjoyable. Tipping is certainly not required, but it is a muchappreciated way to let employees know they have made your trip enjoyable.
- **9.** Look for scenic photo opportunities. Our trains pass many beautiful and interesting sights, so bring your camera. If you use film, we recommend medium speed (ISO 200 or higher).
- 10. Train travel gives you plenty of room to move around, stretch your legs and chat with fellow travelers. Hungry for a snack? Visit the Café car, which offers a variety of sandwiches, snacks, and beverages. On long-distance trains, enjoy the Dining car a family-style restaurant serving freshly prepared foods. You'll most likely be sitting with other travelers who are also enjoying their trip.
